Officials of New Trapshooting Body

Probably the most important happening in the shooting world since the formation of the National Rifle Association is the recent incorporation of the American Amateur Trapshooters' Association, for the purpose of providing an official supervisory body for the half million shooters and nearly five thousand trapshooting clubs in this country.

The headquarters of the association will be in Baltimore, Md., in charge of Secretary Withe, where the American Shooter, the official organ of the association, will be published.
